

SPECIALTY BANKING

Professional Services

For Law Firms, Engineers, Architects, and Accountants

Just like clients turn to you for expertise, you need a trusted partner who understands the unique challenges and offers the right solutions.

Whether you're looking to optimize cash flow, streamline payment times from clients and vendors, and efficiently manage your team and plan for the future, we can help customize a solution that's right for you.

MANAGE YOUR RISK

Innovative fraud prevention and risk management tools can help protect your business against fraud, ensure secure transactions, and provide comprehensive information reporting.

EMPLOYEE RETENTION

Attract and retain quality employees with perks beyond traditional benefits, including exclusive banking products and services, 401(k) plans, mortgage discounts, student loan repayment options, financial wellness education and more.

SUCCESSION PLANNING

Whether you're planning to sell your business or chart a course for transferring it to a future generation, we can help you prepare.

IMPROVE CASH FLOW

We will find ways to improve cash flow, speed up payment time from clients and third party processors, manage delays with insurance reimbursements, and save time with integrated payment options.

BUSINESS GROWTH

We can help you identify opportunities and resources to help fuel the growth of your business.

MANAGE YOUR WEALTH

While you focus on your practice, we will focus on making your future plans come to fruition with our customized wealth management planning.
